June 3, 2020

Dear Patients:

I hope you and your family are healthy and well. The office is now open and we are up to the CDC standards of practice.

Patients appointments are spaced as to minimize contact with others. I ask that you wear a mask coming into the office.

We look forward to welcoming you back after this horrible pandemic.

Safe practices by all will continue to help keep us healthy.

Warmest regards,

Edward I. Jutkowitz, DMD
